

BANKFOOT CHURCH CENTRE

PRAYER DIARY – JULY/AUGUST 2010

“Do not be anxious about anything, but in everything, by prayer and petition, with thanksgiving, present your requests to God.” Philippians 4: 6

SUNDAY

Give thanks to God for His Son Jesus, whom He gave to be our Lord and Saviour, Give thanks for God’s Word that instructs us and shows us His truth; and give thanks for the church, His body here on earth.

MONDAY

Please remember all the many preparations for the Holiday Club to take place from 9 – 13 August. And during that week, would you please pray that we will be safe and free from accident? And that children and leaders alike will learn more of God’s love and care for them?

TUESDAY

Continue to remember us in our period of vacancy. Please remember in particular Peter Thomson (our interim moderator) Dr Jim Simpson (our locum) and Alastair Macdonald (session clerk) as they undertake their many responsibilities. And continue to pray for wise decisions to be made concerning our future and the future of our neighbouring parishes. May all be done to God’s glory and for the blessing of all His people.

WEDNESDAY

Let’s pray about our need to become a more self sufficient church financially and that our stewardship of what God gives us will be appropriate and right. Don’t forget the unresolved insurance claim for the church on the hill and pray that it will be finally settled soon.

THURSDAY

Pray for the young people having a week with World Adventure in Morocco 27 July – 5 August. Pray for Stuart and Ashleigh Farmer as they lead this group. Pray that this adventure will be something that encourages our young people to continue giving of their time and talents to help those less fortunate than themselves; and to learn and experience that, wherever they go in the world, God is there for them and will not leave them.

FRIDAY

Remember too our own parish and those who are unwell, or unemployed, or elderly or sad and lonely. May they know that they are cared for and may we show this in our care and concern.

SATURDAY

Pray today for the world – our own nation and its government; the governments and nations of the world. Pray particularly for trouble spots where people are not able to live in peace.
